## SPOTLIGHT ON SAINTS

St. Angela de Merci was a lovely young Italian woman. She gathered many poor girls and taught them about Jesus and Mary. She built houses where they could live. She had wise young women teach the girls and these became the first Ursuline Sisters. They taught all over the world. St. Angela de Merci is the patron saint of sickness, handicapped people, loss of parents, courage, strength and determination. Her Feast Day is January 27.

Men of the parish are invited to join the Knights of Columbus for **FREE** at <http://www.kofc.org/join>. To learn more about the Knights of Columbus and what they do, email Andrew at [andrew.shaffer75@gmail.com](mailto:andrew.shaffer75@gmail.com).
