

Program Sponsor

Is there a particular program that you are passionate about? As a Platinum Sponsor, you have the flexibility to choose which program you would like your funds directed to. From Science programs and scholarships to after school enrichment opportunities, let's discuss how you can make a difference for the students of Msgr. Clarke School.

Sports Sponsor

We take pride in the development of our student-athletes, and we are proud to say that all of our students have an opportunity to play sports here at MCS. Our athletic programs take a lot of hard work, commitment, and dedication, from not only our student-athletes, but from our coaches and parents as well. This year, we began an intramural program for our elementary grades in order to teach the necessary skills to build competitive middle school teams. While families pay a fee to participate in sports programs, it doesn't always cover the cost for referees, equipment, uniforms, and especially bussing. Your support will allow us to continue offering sports programs here at the home of the waves.

Classroom Sponsor

Classroom sponsorship invites local businesses to sponsor a classroom in support of teachers and their students. All donations are used by the individual teacher to purchase additional supplies and teaching materials throughout the year. Your gift is fully tax- deductible. If you are interested in becoming a classroom sponsor, please complete the sponsorship form below and indicate a grade or subject that you'd like to sponsor. Thank you for your generosity.
