Free Supplies and Resources for Your Classroom

This year our school is partnering with SchoolStore to raise funds to help purchase the essential tools needed in our school and classrooms. As part of the SchoolStore program, students' families and friends have the opportunity to purchase Caring For Classrooms gift cards.

You can use these gift cards at the Caring For Classrooms online redemption center to shop for the items you want most for your classroom. Choose from a wide selection of school supplies, teacher resources, books, games, DVDs, magazine subscriptions, and toys.

How Caring For Classrooms Gift Cards Work

1. Your students' families and friends can use SchoolStore to donate a Caring For Classrooms gift card to your classroom.
2. A gift card will be sent to your school. It will identify the teacher and recognize the student and donor.
3. Go to caringforclassrooms.com and choose the items you want for your classroom!

Please help us promote this program by sending home the Parent Announcement Packet and encouraging students to participate. Greater participation generates more supplies and resources for your class!
