

Calling all budding scientists, techies, engineers, artists and mathematicians! Have you ever wondered how to design and build bridges and roller coasters? Or how to create beautiful geometric patterns and designs? Full STEAM Ahead engages students in problem-solving, collaboration, questioning and hands-on activities as they plan projects and tackle real-life issues. These STEAM enriched activities will build upon students' interests and experiences in an environment that fosters creativity and curiosity.

Fee: \$60

Time: 3 PM-4PM

Dates: 11/22, 11/29, 12/6, 12/13 & 12/20

\* Students should be picked up promptly at 4 PM at the school's entrance \*
