

MONSIGNOR CLARKE SCHOOL

5074 TOWER HILL ROAD, WAKEFIELD, RI 02879

Dear Business Owner,

There is no doubt this is once again going to be a unique and challenging year. The COVID pandemic has changed our lives so much, but we are determined to give our students the most "normal" experience possible while balancing keeping everyone safe. I am touched every day by the dedication of our teachers, the sense of purpose from our students, and the commitment from our parents, grandparents, relatives and community. To continue to build on the uniqueness of South County's only Catholic elementary/middle school, we'd like to partner with you.

Our Corporate Sponsorship Program is an opportunity to partner and help each other. We know this pandemic has made being a small business difficult for many. When sales are down, things like donations and advertising have to take a back seat. But, how do you get recognition for your business if you can't afford to advertise? Here is where we can help.... Your donation will help us grow programs and purchase necessary items for our school, thereby directly benefiting our students and teachers. In return, our school will actively promote your business to our school community. We know from previous years experience that parents will go out of their way to support any business that supports their child. This is an affordable way to invest in your own business while helping your local school. **In addition, we will include your business logo and name on a fence banner that will be visible in front of our school!**

Our school enrollment continues to grow and this year we welcomed over 100 new students! As you know, we operate our school based solely on tuition. Our school doesn't receive financial support from tax dollars or even diocesan financial support. Our school depends on a number of factors for help, from the PTO fundraisers to major development efforts. This year, due to the coronavirus, we won't be able to host many of our traditional events.

Last year with the help of our corporate sponsors, we were able to purchase over 30 air purification units for our school! Kindly consider completing the enclosed form and return to us with a check, or use the QR code below to make an online payment. Thank you for your support and consideration.

Sincerely,

Sara Marshall

Director of Admissions & Development
