

WOW Award

Leeann Detillion
Housing Social Service
Coordinator

January 2025

Hello, I would like to nominate Leeann Detillion for the WOW award. I started in my position with Catholic Charities back in July. I am new to the Spokane and Eastern Washington area. As Leeann and I work together at a remote site in Chewelah, she has been paramount to my success. She is always eager to help, most especially the residents in her capacity, but also me, people from the neighborhood. She is involved in several Chewelah events like the Food Bank and the Soup Night. She is so resourceful, and I know it is her job, but she goes beyond. I am so lucky to get to work with her. She epitomizes our mission and values: Feed the Hungry. Heal the Hurting. Welcome the Stranger. She is compassionate, caring and most important, she is fun! I truly look up to her and am so lucky to get to work with her.

If we have an employee of the year, I would nominate her for that, too.
