

PRIMARY CARE NETWORK PAIN ROUNDS

If Not Opioids, Then What? Medication Alternatives for Pain Management

Dr. Dino Smiljic MD CCFP
Medical Director, Bow Valley Primary Care Network

Jolene Gunn Pharmacist, ACPR
Pharmacist, Bow Valley Primary Care Network

Wednesday September 30, 2020

1730-1830h MST

[Register via Eventbrite using this link**](#)

Who should attend?

Family physicians, registered nurses, nurse practitioners, pharmacists, rehabilitation or mental health professionals, and any other interested members of the team.

Primary Care Network Pain Rounds is a forum to help PCN physicians and teams stay up to date on current science and clinical practice in pain assessment and management. Sessions will occur every 2 months and cover a wide range of pain-related topics.

*This **Group Learning** program has been certified by the College of Family Physicians of Canada and the Alberta Chapter for up to 6 Mainpro+ credits. (1 credit per session)*
