

SHARE YOUR PHOTOS WITH THE YEARBOOK STAFF!

We would love to receive photos all year
from SCA events!

In addition, we have a special page for elementary or out of school sports where we feature our Eagles in Training that may not be old enough for our teams or may participate in sports that are not part of our school. Be sure to send the name and grade of students pictured!

So, if you have a photo for us, there are two ways to share.
