

## Information for Veterans Day Pictures

PLEASE READ CAREFULLY

On November 9 we will be conducting our annual Veterans Day Program at Sherwood Baptist Church. This event is a very important day when we honor those who have served our country through military service. We want all our students to understand how important it is to follow scripture and give "honor to whom honor is due."

A video presentation will be shown during the program. **IF YOU HAVE PREVIOUSLY SUBMITTED A PICTURE OF A VETERAN FOR THE PRESENTATION, THERE IS NO NEED TO RESPOND TO THIS NOTICE.** If you are a new family to SCA or have never submitted a photo of a family member who is a veteran, this is your opportunity to do so to be included in this presentation. Provide us with a COPY of a picture of family member veterans. The pictures will not be returned. You may scan the picture and print it, or take it to a professional copying business. It may be a black and white or a color picture. PLEASE label any pictures with the name of the veteran and the student's name and grade. These need to be turned into one of the school offices **by October 15, 2018**. You may also email the picture to [sylviahager@scaeagles.com](mailto:sylviahager@scaeagles.com). The names of veterans will also be listed in the program. If you do not have a picture, but would like the name of a family member who is a veteran listed, please indicate this on the form below or email the name to [sylviahager@scaeagles.com](mailto:sylviahager@scaeagles.com).

Student's Name \_\_\_\_\_
