

## **Elementary Christmas Shoppe December 2 - 6**

The holidays are near, and SCA is bringing the Christmas Shoppe back for our elementary students. Students will have the opportunity to pick out their own inexpensive, high quality "secret" gifts for family and friends during school hours. The Christmas Shoppe is designed to be an environment where students can learn how to spend wisely while they also experience "the gift of giving." The shop will be set up in the multi-purpose room and students can purchase items Monday through Friday, December 2-6. The shop will be monitored by parent and grandparent volunteers.

The teachers will take students down twice during the week to look for their special gifts. Someone will also be monitoring the Christmas Shoppe from 7:35 - 8:05 each morning so parents are welcome to come in when they bring their children to school. The Christmas Shoppe will also be open after school from 3:10 - 3:45 p.m. so parents are welcome to shop then as well.

The monies from the Christmas Shoppe will go directly back into our classrooms. Thank you for supporting SCA through the Christmas Shoppe.

If you could volunteer a morning or afternoon to help with this, please e-mail Sherie Baker at [sheriebaker@scaeagles.com](mailto:sheriebaker@scaeagles.com).
