

Re: Check-In and Parking for Thanksgiving Luncheon

Parents,

We are excited about the Thanksgiving meal on Thursday, and we are looking forward to you being on campus. The times the classes will be going to the cafeteria for lunch are listed below.

If you are already in the "Raptor" system, please park in the back. There will be staff members to help you with the parking and your pre-printed passes will be on a table by the cafeteria.

If you are not in our new "Raptor" (check-in) system, you will need to park in the front and plan to be here about 20 minutes before your child's lunch time. You will need to provide the office with your driver's license so they can print you a visitor's pass.

If you are on campus any time between now and Wednesday, November 20, you can bring your identification by the office, and they can put your information into the system which will allow us to pre-print your pass as well.

K5 - The students will be taken to the cafeteria so you can meet your child there. The trays for K5 students will be on the tables for them. Once you have gone through the line, you are welcome to sit with their class or take your child outside to eat. Tables will be set up for families.

1st-5th - **It will be easier and faster for you to have your child go through the line with you to purchase lunch.** Again, parents are welcome to eat in the cafeteria if there is available room or tables have been set up outside.

Please help us by making sure the teacher knows that you are taking your child out of the cafeteria. The students have 30-40 minutes to eat. If their class leaves before you are finished, just take your child back to the classroom when you are finished.

If your child happens to be leaving campus with you, please make sure you sign them out through the front office.
