Weavesilk--Generative Art, also known as Silk, is an Amazing free online art tool that allows you to create colorful digital drawings. Silk was made by Yuri Vishnevsky, with music and sound crafted by Mat Jarvis. On this website, you can draw beautiful flowing art with Silk. With Silk's award-winning magic brush, anyone can be an artist. Relax, express yourself, and create mandalas and wallpapers. With the swish of a finger, Silk strands mingle and fuse, weaving together into wonderful works of art.
