Also Kim Huber has volunteered to host an upcoming After Hours.

Other business:

Member of the Month; Bonnie asked for some help and Renee was able to provide guidance from when she managed this previously. It was suggested that we try to track who has been featured in recent times and try not to repeat, allowing others the spotlight.

There was also discussion about meals that we may have to pay for at club if we don't meet our minimum of 35 and the possibility of donating this food. If this becomes an issue, we will address it then.

The meeting was adjourned at 12:50.

Next Meeting: October 26, noon at Linda Allen's house (Thank-you Linda!!)
