Club Giving

empowering women and girls to live their dreams

SOROPTIMIST®
Investing in Dreams

Club Giving contributions provide the funding necessary for our global Dream Programs. The combination of all clubs' donations ensures SIA can continue to invest in the dreams of courageous women and girls—not only within your community, but across our 21 countries and territories.

Below are just a few of the many ways your 2020-2021 Club Giving contribution helps women and girls:

- Granting ***Live Your Dream Awards*** to women who do not live near a club
- Enabling a **newly chartered club** to provide a *Live Your Dream Award* in their local community
- Funding **region and federation level** *Live Your Dream Awards*

Imagine how much we could do when every club contributes at least 10% of their locally raised funds.

Together, we've made great strides in helping women and girls live their dreams. However, there are so many more women and girls facing obstacles who could benefit from our Dream Programs.
