You will need four people to man ticket booths at all times plus two people to take tickets at all times.

We audit, drop cash, pick-up cash, and count tickets and money, count coupons at the beginning of the day and the end of the day. We have an excellent system for keeping everyone honest and keeping track of tickets sold as well as the coupons received. We track each and every ticket sold and each dollar into the show. Please note any errors or mistakes which occur as we must know about them prior to the close of the show each day.

We stress that all volunteers should be friendly to both the attendees and exhibitors. These are our customers and we always strive for excellent customer service. T-shirts, hats or buttons identifying your organization should be worn at all times. Dress is professional.
