Soroptimist International Chico
$100 for 100 Years Donation Drive

Dear SI Chico Soroptimist Member:

In our 100th year of doing our best for women and girls, our club, like many worthy nonprofits, is struggling to maintain its effectiveness through its fundraisers, large and small. Your fundraising committee works tirelessly to find fresh ways to garner contributions within and beyond our members. The competition for resources continues to grow as we find our club searching for funds in our budget to continue to do what is best for women and girls, locally and around the world.

This past club year (2020-2021), our club had several fundraising events to raise funds for our scholarships, grants, and service projects. However, there is still a shortfall, both for external funds and funds needed internally to run our club.

With this in mind, your internal fundraising team has organized a donation drive that celebrates our 100 years of service by asking our club members to contribute to our funds, which we will use for our club's internal operating expenses for this club year. We are asking for monetary donations of $100.00 (*or any other amount you desire*).

Contributing to our internal funds would alleviate our need for more fundraising efforts. This donation could prove to be a lifesaver for our club.

Please send checks to:

SI Chico, P.O. Box 1812, Chico, CA 95927
(write $100 FOR 100 DONATION DRIVE in the memo line)

Thank you from your fundraising committee:
