Membership:

Bev Rosendaal and Kimm Randle are Membership Rock Stars. Two "Getting to Know Us" evenings were held at Kimm Randle's home and resulted in 14 new members. SI Objectives co-chairs Sandi Decker attended these events as did President Carrie and President Elect Billie

Bev followed up on all inquiries received from our website and invited them to join us at "Getting to Know Us". Yellow information sheets were given to other guests who joined us at club and were interested in learning more about SI Chico. Bev followed up on these with an invite to the next "Getting to Know Us".

New member packets were updated with new information at the beginning of the year.

Retention:

Five $300 scholarships were offered to new members to fund their attendance at the Soroptimist Development Retreat in July or the Sierra Nevada Region conference in Reno in April during their first or second year. New members Erin Krause, Sara Beacham and Danielle Leiper attended the SDR in Reno in July and were reimbursed for expenses, up to $300. The Sierra Nevada Region conference in April was cancelled due to COVID-19 leaving two of the scholarships unused.

Kimm designed and made colorful wings to attach to new members pins so we would recognize our new members and reach out to them and answer questions and make them feel welcome. A planned wing clipping has been postponed.

Kimm has been organizing a list of members and their years served and we are honoring member's with anniversary pins. This was voted on to be a ongoing project

Linda Allen offered to host a Newbies Night Out in May but this has been canceled due to the Coronavirus.

For retention, an email motion was made to the committee in May via email. The motion passed in Committee, was presented to Board at the May Board Meeting and passed at Board. The motion was less than $250, therefore does not need to be presented to the Membership. The motion was as follows:

MOTION:

- "Move that SI Objectives credit towards next years' dues $65.00 to the three members inducted in March: Jamie McNamee, Katie Salcido and Julie Jones. The members were inducted March 4 and due to COVID-19, the last in-person meeting was held March 11. The funds are to come from SI Objectives member retention budget."

  For further background information on this motion, the three members above paid $127.50 in dues. The $65 is approximately half of what they paid.

- There were 10 Ayes and no Nays
- Those voting Aye: Sandi Decker, Rosie Potestio, Linda Kerch, Susan McCauley, Beverly Rozendaal, Kimm Randle, Renee Thatford, Jeanne Smith, Linda Allen, Carla Bee
- Jamie McNamee and Katie Salcido were excluded from the Motion vote

Door Greeters:

SI Objectives coordinated with Joyce Brown to have a signup in the E-blast for weekly door greeters. We encourage members to ask a new member to "greet" with them. This was well received favorably by all members. And it was fun!

Member of the Month:

Rene Thatford headed the Member of the month and has been submitting the info for the E Blast and printing the table toppers. The focus this year for Member of the Month were new members.

AWARDS PROGRAMS:

Live Your Dream:

The Live Your Dream program was held March 11th with three awardees receiving a total of $3,500 split between them.
First Awardee – Amy Ellingson - $1,500
Additional Awardee – Cierra Bowen - $1,000
Additional Awardee – Idalee Montgomery - $1,000

Rosie Potestio, Linda Allen and Shawn Murphy did a great job managing this award.

Dream It, Be It:

Renee Thatford and Jeanne Smith co-chaired the DIBI sub-committee. After one meeting with Fairview High School on March 11th the schools closed due to the Shelter in Place order. Unfortunately, this halted our entire DIBI program.

Currently, Renee and Babette, from SI Bidwell Rancho, are coordinating putting goodie bags together for the young women at Fairview. They will deliver the bags to the instructor, Tricia Homesley soon for her to deliver to the students. Looking forward to implementing this program next year.

SI Objectives – Governor's Project

There was no Governor's Project this year.
