Volunteer Agreement: COVID-19 Addendum 06.2020

The Rancho Los Alamitos Foundation appreciates your service, and we will do our utmost to ensure that your volunteer experience is rewarding, productive, and safe.

We are required by the State of California to document employee COVID-19 vaccination status. At this time, we are opting to allow volunteers to self-attest to their vaccination status with written confirmation.

- Beginning 6/23/21, masks are *optional for fully vaccinated* individuals.
- Masks are *required for unvaccinated* individuals over the age of 2.
- An individual can be considered fully vaccinated 14 days after completion of a COVID-19 vaccination series (after the second dose of a 2-dose series, or after one dose of a single-dose vaccine).

Please submit the COVID-19 Volunteer Agreement Addendum if you have been fully vaccinated. Thank you for your prompt cooperation.

I attest that I am fully vaccinated:
