

While many things have changed over the past several months, one thing that has not wavered is Nazareth Academy's commitment to educate the whole person. Although the start of this school year has a different look and feel, our dedication to our pillars of scholarship, service, spirit and unity remains NazStrong.

Please join us for a virtual Coffee & Conversation or at our in-person Open House to learn more about all that Nazareth has to offer.

Open House dates are Sunday, October 25 and Monday, October 26. Pre-registration is required and space is limited. Registration opens October 7 at 8 a.m. Please visit our [website](#) for full details, including all of our safety guidelines.
