## Ways to use RaiseRight

**Load up your virtual wallet in the Raise Right App and use your gift cards anytime.**

Target, Walmart, Home Depot, Kohl's, Macy's, Nordstroms, Gap, Dick's, DSW and so many other retailers all have eGift cards for immediate purchase.

You can purchase your gift card while waiting in line at the store check-out or from the comfort of your own home while you shop online!

The eGift cards require no wait time for activation and can be used immediately upon purchase using the barcode within your virtual wallet.

**Purchase a Jewel, Mariano's, or Whole Foods gift card and continue to reload for all your grocery shopping needs - man, these kids eat a lot!**

**The old fashioned way: buy gift cards for friends, families, teacher & coaches gifts**

Receive the physical gift cards on scheduled delivery days (they will come home in your son or daughter's backpack). Or you can pick them up at the school office.
