

Tyler's Toy Drive

Supporting The Pediatric Oncology Treasure Chest Foundation

When SFX parishioner Tyler Duelm was diagnosed with brain cancer in 2006 at the age of 3, the SFX community responded with prayers and support for Tyler, his parents, Laura and Brent, and his siblings, Jessica and Jonathan. After a courageous, 8-month battle, Tyler succumbed to this terrible disease. To support children impacted by cancer, the SFX Catholic Women's Club hosted a parish-wide party and toy drive in honor of Tyler's birthday.

Now in its 12th year, the tradition of a community birthday party in September continues in Tyler's memory. Toys for Tyler is a great opportunity for young ones in our parish to embrace the spirit of giving while also enjoying a fun afternoon of playground games and entertainment.
