

Safari of a lifetime

Cheryl Kyle to lead trip to Tanzania next January, including a visit to Endupoto and Oljoro schools, which are Church of the Holy Spirit's Outreach Ministry Partners.

Tanzania, in East Africa, is a country of big dramatic skies and distant horizons. Come join us for an unforgettable journey with Cheryl Kyle of Church of the Holy Spirit; Karen Royce, of Christ Church in Greenwich, Conn., and the Rev. Marek Zabriskie, rector of Christ Church in Greenwich, Conn.

Participants will arrive in Arusha, Tanzania, on January 14, 2022 for a 12-day immersion in the life and the land of this amazing country.

You will worship at Christ Church in Arusha; be welcomed by the Maasai people, whose children attend Endupoto Primary School and Oljoro Secondary School (Ministry Partners of Holy Spirit); experience the beauty of the Serengeti, lunch by the hippo pool on the floor of the Ngorongoro Crater, and experience God's masterpieces during our travels; worship along the dry riverbed in the Oldupai Gorge, and share reflections before dinner.

The lodges are booked, the itinerary is planned, and three fabulous Tanzanian driver-guides are reserved. Space is limited to 15 travelers.
