

Letter sent to Church School Families

Dear families with children in Church of the Holy Spirit,

We the Church School team miss you all very much. Will this separation ever end?

Once there is a vaccine, we can resume Church School in our building. However, we are working on ideas to bring the children, the word of God via electronic means!

We are making weekly videos of children's stories followed by an activity or experience for the whole family. Adults will enjoy the stories too. We are calling them "Spirit Stories" and they are found in "Worship this Week" which you receive by email.

Joan McFadden and Hannah Schneider are working on lessons to access via Zoom. Joan's group will be Kindergarten thru Grade 5 and Hannah's will be Grade 6 through High School. Preschoolers and all children will be learning from our "Spirit Stories" too.

Your Church School Team: Gail Smith, Joan McFadden, Ruth Campbell, Matt Thompson and Hannah Schneider.
