IL 25TH DISTRICT NEWSLETTER: FEBRUARY 24TH, 2022

Dear Friend,

I hope that everyone enjoyed their President's Day on Monday, February 21st which is celebrated in recognition of George Washington's Birthday.

Kane County Juvenile Justice Center Visit

Last week my district office visited with Superintendent Mike Davis of the Kane County Juvenile Justice Center to drop off menstrual products our office had collected through our donation drive, and to receive a tour of the facility. These menstrual products will go to use in providing care packages for youth to leave the facility with which also include clothes, and information about community resources and how to access them (such as food, housing, etc.). On the tour we learned about all the services provided to detained youth to help enrich their experience in the Justice Center from school to art to the library and book program.

Black History Month

As part of Black History Month, Gail Borden Public Library in Elgin will host virtual interviews on Black excellence at noon every Thursday in February on Facebook, [gbpl.info/fbvirtual](https://www.facebook.com/gbpl.info/fbvirtual). Attendees will learn about what drives Black community members to strive for excellence and celebrate their achievements. Featured guests include Elgin's Poet Laureate Emeritus Chasity Gunn and Monique Howerly, chef and proprietor of Moni's Soul food Fiesta.

Infant Formula Recall

The DuPage County Health Department (DCHD) is advising that the U.S. Food and Drug Administration is warning consumers not to use certain powdered infant formulas made at Abbott Nutrition's Sturgis, Michigan, facility amid an investigation into four infant illnesses. All four cases related to these complaints were hospitalized and Cronobacter may have contributed to a death in one case.

Parents and caregivers should discard Similac, Alimentum, or EleCare powdered infant formulas if:

- the first two digits of the code are 22 through 37; and
- the code on the container contains K8, SH or Z2; and
- the expiration date is 4-1-2022 (APR 2022) or later.

To find out if the product you have is included in this recall, visit [similacrecall.com](https://www.similacrecall.com) and type in the code on the bottom of the package, or call +1-800-986-8540 (U.S.) and follow the instructions provided. No action is needed for previously consumed product.
