

# **Stand Sunday: Faith Communities Support Children in Care with Prayer**

On Nov. 10, 2019, churches across the state of Texas are invited to pray for children and families involved in the foster care system.

Called **Stand Sunday**, this initiative is sponsored by Christian Alliance for Orphans (CAFO). Child Protection Services (CPS) has agreed to release the first names of children in foster care for this occasion. This is a wonderful way for your CASA program to connect with local churches as well as initiate the assistance of your current volunteers to engage their faith communities.

St. Paul's member, Diana Richards, also a CASA/GAL Volunteer and Board Member, has registered St. Paul's.
