Know those unused eye glasses collecting dust?

During the Month of July there will be a box in the Narthex to leave your gently used prescription glasses, reading glasses or sunglasses. At the end of July they will be delivered to Authentic Life Fellowship (1914 Joe Ramsey Blvd E). Every donated pair is cleaned, repaired, and placed into the hands of someone in need through medical mission teams and outreach ministries, both around the world and here at home. Your glasses become **a life -changing gift** to help a child succeed in school, allow an adult to work and provide for their family, help a senior maintain independence and bring hope to families who can't afford vision care. -Thank You!

From The Zucchetto - a.k.a. Zucchini by the PiC

Happy Birthday America!

As I write this Zucchetto article, we are returning to East Texas after a brief trip to New Orleans. As I am sure, most of you know I claim NOLA as my hometown, even though I wasn't born here (my birthplace was a Naval base in Virginia).

This weekend we are celebrating the birthday of our homeland - the United States of America. And although not all of us were born here, we claim this as our home - like I have adopted New Orleans.

The founders of this great country were mostly Christians and Jews and the bedrock principles were based on love and obedience to God our Father.

As we celebrate here at St. Paul's on Sunday, our music and our service remind us of the bounty and grace that God has bestowed on us. An addition to our service will be the Pledge of Allegiance. Did you know that the phrase "One Nation, Under God" was added to the Pledge by President Eisenhower in 1954? After experiencing the horrors of World War II and the secular trend of the post-war era, he (and the country) felt it necessary to remind the nation of this concept that had been held so dearly by our founding fathers.

So let's tip our hats to the flag and to this nation that God has so graciously bestowed on us to preserve and protect. God Bless America and may God bless us too!

In His service,
Gary+
