GIVE-19

SPONSORED BY GIRL TALK

Give-19 is a movement that encourages our Irvington community to unite as one during a time of uncertainty and isolation to support one another.

Our goal is to redefine the number 19, which currently is associated with isolation, fear, and powerlessness, to a number that corresponds to community, hope, and action.
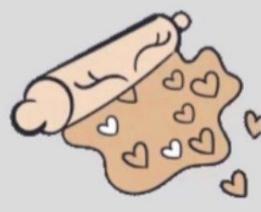

Please join our movement and to unite our community through small thoughtful actions. We encourage everyone to take part in Give-19! Here are some ways you can do so: baking cookies for a neighbor, supporting local businesses, writing letters to patients at nursing homes, sending thank you letters to doctors and nurses, or anything you think will brighten someone's day!

Here are some organizations you can send your creations to if you need any ideas:

    Cabrini Nursing Home– 115 Broadway, Dobbs Ferry, NY 10522

    Paws Crossed– 100 Warehouse Ln, Elmsford, NY 10523

    Hebrew Home– 5901 Palisade Ave, The Bronx, NY 10471

**If you have any issues or are unable to send your gifts please email Jackie and Lara so we can help distribute if for you.

Jackie Pollack and Lara Greene have created a facebook group chat in which individuals can post their creations. This group chat can be found under Give-19 Irvington.

If you have any further questions or would like more information please feel free to email either Jackie Pollack or Lara Greene at:
