## ACTION MINISTRIES FOOD BOX BUILDING

**Action Ministries, Inc** | <http://www.actionministries.net>

Be a part of ending hunger for families across Georgia! Action Ministries' hunger program supplies over 40,000 food boxes to help thousands of families each year, provides 2,500 kids in Georgia with meal packs that help end hunger over the weekend, and delivers lunch and enrichment activities to over 7,000 kids during extended school breaks and summer! We need your help to continue to make such an incredible impact in our community!

We invite you to join us at our next service event, where we will have fun and make a difference at the same time. This volunteer opportunity will bring amazing people together to build food boxes for families in need.

1. Assemble flat food box
2. Fill food boxes with a pre-determined box menu following overhead instructions
3. Fully break down used/consumed cardboard and remove plastic from food packaging
4. Place cardboard and plastic in designated containers
5. Close finished food boxes and place on pallet
6. Repeat

Court ordered volunteers are permitted to serve. Closed-toe shoes are required. The temperature inside of the warehouse mimics outside so we suggest dressing according to the outside temperature. This project is wheelchair accessible.
