Designers + Builders Alliance of Long Island, A Foundation Built on Giving, is a unique organization uniting all home-trade professionals under one roof – for networking and industry-focused activities. The mission is three-fold: to foster the concept of good design on Long Island, produce programs that enhance relationships among the myriad of home trades and most importantly, to raise money for worthy, local causes. The D+BAofLI is a registered 501(c)(3) charity. www.dbaofli.org

Event proceeds benefit KiDS NEED MoRE, a 501c3 nonprofit dedicated to enhancing the lives of children, families and young adults coping with cancer and life-threatening illness. KiDS NEED MoRE's programs and services are driven by caring, motivated young people, who have survived an illness or whose family members are suffering from an illness. They build a community of support and hope through peer mentoring, camp experiences, retreats, friendly visits and day events. www.Kidsneedmore.org

**The Designers + Builders Alliance of Long Island will posthumously recognize KiDS NEED MoRE supporter
Lou Alvarez, NYPD Detective & 9/11 Victim Compensation Fund Advocate
with the *Humanitarian Hero Award***
