

We C.A.R.E.

COMMUNITY HEALTH FAIR

February 26, 2025

Dear Potential Vendor:

This letter is to extend to you an opportunity to participate in the We C.A.R.E. Community Health Fair, in conjunction with the Atlanta Medical Association, Inc. and New Birth Missionary Baptist Church.

We are writing to ask for your support by way of resources that are most appropriate for your organization, be it **financial, products or services**. We are a nonprofit organization, all donations are tax deductible. This year's Health Fair aims to provide over **\$2,500 of health services and screenings to over 1500 underserved individuals who were otherwise unable to afford these services**.

There will be **premium booth exposure at the Health Fair**, continual recognition during the Health Fair and sponsor recognition in promos and social media. There will be several opportunities for your brand recognition prior to and during all events.

Where: The Health Fair will be held at New Birth Missionary Baptist Church Samson Health & Fitness Center (6400 Woodrow Rd. Stonecrest, GA 30038)

When: Saturday, April 19, 2025 from 10:00 a.m. until 2:00 p.m.

Anticipated attendance: 900- 1500 people

Health Screenings will be provided in the areas of **Diabetes, Hypertension, and Hypercholesterolemia**. Health education will be provided in the areas of **HIV Screening, Prostate Cancer, Pancreatic Cancer, Colo Rectal Cancer, and Skin Cancer**.

Physicians of Medicine, Dentists, Podiatrists, and Chiropractors will be on-site to conduct medical screenings, provide medical advice and offer referrals for follow-up as indicated.

While this is a "health fair," we will also promote other areas such as financial literacy, home ownership, retirement, saving for college, education, and general wellness.

We welcome you to [sign up TODAY!](#)

If you would like to be a participant, we are asking for the following:

- Vendor table reservation fee \$250 ([click here](#))

Thank you in advance for your consideration. We appreciate your support and your service to the community to promote the health of all citizens of metro Atlanta.
