GLENVIEW ROAD SIDEWALK CLOSURE

The sidewalk along the north side of Glenview Road will be closed until early summer from the entrance to the Park District to Skokie Boulevard (U.S. 41). Pedestrians should use the sidewalk along the south side of Glenview Road, and cross Glenview Road at the designated crosswalks east of Skokie Boulevard or at Kilpatrick Avenue and Hibbard Road.

WORK COMPLETED THIS WEEK:

Monday, 02/01/21 through Friday, 02/05/21

- Survey and layout is in progress to define the location of the underground stormwater reservoir.
- Removed existing berm along east side of Hibbard Park. A similar berm will be rebuilt during the final restoration.
- Removed trees within the limits of the proposed underground stormwater reservoir.
- Delivered equipment and materials and began excavation for storm sewer installations in the Park.

WORK SCHEDULED FOR NEXT WEEK:

Monday, 02/08/21 through Friday, 02/12/21

- Installation of new storm sewer in Hibbard Park.

TRAFFIC EXPECTATIONS

Light semi-truck traffic is expected to make deliveries of materials within Hibbard Park. Although no roads are scheduled to be closed in the immediate future, construction traffic will be utilizing Skokie Boulevard and entering the Park through the Wilmette Avenue construction entrance.

CURRENTLY IMPACTED STREETS

WORK SCHEDULE
