

# Home Safety Tips

## Tips for kids and pets

- ☐ Keep chemicals and cleaning products out of reach
- ☐ Make sure your address is visible so emergency vehicles can locate the house
- ☐ Plan an emergency escape route
- ☐ Check fences and stairs for damage
- ☐ Keep pet ID tags updated

## Apartment tips

Get to know the landlord

Locate fire escapes

Check visibility through the peephole

Know your surroundings

## Everyday safety measures

Lock doors/activate alarms

Leave a light on when the house is empty

Be careful with spare keys

Don't leave heat sources unattended (i.e. candles, irons)
