

2nd Annual Apologetics Day

*Can I trust
the Bible is
God's Word?*

Even if the Bible is true, I
can't tell other people how
they should live. Wouldn't
that be judgmental?

How do I respond
to non-biblical
views of the
culture around
me?

Do the teachings of
Islam contradict
themselves?

What about all those
contradictions in the
Bible?
