We were preparing our journey to a place called Wamba in Samburu. We really did our practice so that we can be ready for catechetical forum. We started our journey at 12:20 PM Midnight, We reached in Nakuru at 8:30 AM. The bus also stopped at the equator we took photos together and therefore we went back in our bus. We reached in Samburu at 8:40 PM. Every one were tired that time. It was a long journey but I was happy because I saw different types of animals such as antelope, rhino, zebra, and many others. We presented many items the items we Drama, Tongue twisters, set peace, All composition and many others, I liked the all composition because it was taking about the death of Jesus Christ and we sang during Easter. I also liked drama. Genesis Exodus 20:2 I am the Lord your God, who brought out of the land of Egypt, out of the house of slavery
