Selected items may be delivered curbside to your address in Santa Barbara County for a fee. There will be a 7.75% Sales Tax applied to all items unless a current California State Resellers Permit is submitted.

SAFETY Guidelines during COVID-19: Six feet of social distancing will be maintained during pickup or delivery. If you have requested help loading an item into your vehicle, staff will do it for you while you wait at a safe distance, and pre-arranged deliveries are curbside, not inside your address. Clients are advised to use all recommended precautions regarding facial covering while away from home, gloves if desired, and so forth. Treasured Estates staff will not be present if they feel ill, nor should our valued clients. Together, we will accomplish this safely and with good cheer!
