

We are excited to welcome our customers under the new state “Orange Tier” guidelines! Here’s how we plan to do it safely:

- **Please do not attend if you have had symptoms, or have been with others who do, in the past 14 days.**
- **All attendees 2 years and older must wear a mask covering nose and mouth.**
- **Six feet of social distancing is required:**
 - Especially standing in line to enter or check out, and while shopping or packing.
- **Entry may be controlled to avoid overcrowding.**

Together we will keep each other safe!
