EXPAND YOUR REACH WITH MY COMPLEMENT CONFERENCE MAGAZINE

Hello!

I am excited to share a wonderful opportunity that I thought would be a great fit for you and your team!

You're invited to partner with **The Shaniqua Cousins Conference Tour 2023: Women Seeking Purpose Living Dreams Experience (WSPLD)**, as a magazine vendor during the 'Dream a Bigger Dream' two-city tour, taking place in both Callaway, MD and Charleston, SC, this April.

This year's tour is proud to launch its first magazine to complement the event, featuring the conference program, its passionate vendors and a variety of insightful content aimed to ignite, inspire and transform the lives of our participants.

General vendor participation is a \$325 investment that includes a full page, color advertisement and one premium, in-person conference ticket for you, your staff, or to be used as a giveaway for one of your customers.

VIP vendor participation includes a \$1,000 investment with two VIP tickets and a full-page color advertisement on the magazine inside or back cover.

All vendors will have an opportunity to showcase their products and services to our exclusive target audience made up of in-person and online guests from across the country.

Additionally, your company will be able to personally speak from our in-house or virtual stage to share information or conduct a demo during our LIVE moderated broadcast event. Your brand will also have logo visibility during the entire tour.

This is your opportunity to help transform lives and grow your company's reach at the same time!

The team and I look forward to the possibility of creating a mutually beneficial partnership. You are encouraged to learn more about the conference tour at shaniquacousins.com.
