

# **PREGNANCY CARE CANADA**

## **CORE DOCUMENTS**

**September 2019 Revision**

## OUR VISION

To impact every individual in Canada challenged by an unexpected pregnancy with access to accurate information and compassionate support.

## OUR MISSION

We are a Christ-centred national organization dedicated to upholding life by equipping pregnancy care centres and local communities with resources, education, and support to compassionately serve those challenged by an unexpected pregnancy.

**Ephesians 3:17b-18:** And I pray that you, **being rooted and established in love**, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ.

## SANCTITY OF LIFE STATEMENT

We believe that human beings are created by God in His image. Therefore, every person, from conception to natural death, possesses inherent dignity and immeasurable worth — including preborn children, elderly individuals, people with diverse abilities, and others marginalized by society.

Genesis 1:27; Psalm 139:13-16; Matthew 25:31-40

## STATEMENT OF FAITH

We believe that:

1. The Holy Scriptures as originally given by God are divinely inspired, infallible, entirely trustworthy, and constitute the only supreme authority in all matters of faith and conduct.

2 Timothy 3:16-17; 2 Peter 1:19-21

2. There is one God, eternally existent in three Persons: Father, Son, and Holy Spirit.

Exodus 15:11; Psalm 83:18; Matthew 28:19

3. Our Lord Jesus Christ is God manifest in the flesh; we affirm His virgin birth, sinless humanity, divine miracles, vicarious and atoning death, bodily resurrection, ascension, ongoing mediatorial work, and personal return in power and glory.

Matthew 1:18-25; Hebrews 1:1-3; 1 Thessalonians 4:13-17; Titus 2:13

4. The salvation of lost and sinful humanity is possible only through the merits of the shed blood of the Lord Jesus Christ, received by faith apart from works, and is characterized by regeneration by the Holy Spirit.

Ephesians 2:8-9; Titus 3:4-7; Acts 4:12

5. The Holy Spirit enables believers to live a holy life, to witness and work for the Lord Jesus Christ.

Acts 1:8; Romans 8:1-27

6. Followers of Jesus are called to express their sexuality within marriage between one man and one woman — a sexual, covenantal relationship that God uses to illustrate His relationship to His people.

Genesis 2:18-25, Mark 10:6-9, 1 Corinthians 7:2

7. The Church, the Body of Christ, consists of all true believers.

1 Corinthians 12:1-27; Colossians 1:18

8. Ultimately God will judge the living and the dead, those who are saved to the resurrection of life, those who are lost to eternal separation from God.

John 5:28-29; 2 Corinthians 5:10; Revelation 20:15

(Statement of Faith adapted from the Evangelical Fellowship of Canada)

## STATEMENT OF PRINCIPLES

4. PCC affiliated centres are committed to providing clients with medically accurate information and education about abortion, adoption, parenting, prenatal development, and healthy relationships.
5. PCC affiliated centres are committed to assisting individuals to carry to term by providing emotional and spiritual support, practical assistance, and community referrals.
6. PCC affiliated centres do not discriminate against any client on the basis of race, colour, religion, creed, national origin, age, gender identity, sexual orientation, or lifestyle.
7. PCC affiliated centres are committed to providing all client services with honesty and integrity. Affiliated centres denounce any form of deception in their communications.

13. PCC affiliated centres recognize the validity of adoption as one alternative to abortion but are not biased toward adoption when compared to other life-affirming alternatives.

## ETHICS OF CLIENT CARE

I commit to the following Code of Ethics:

1. I will be non-judgmental and will not discriminate against any client on the basis of race, colour, religion, creed, national origin, age, disability, gender identity, sexual orientation, lifestyle, or other arbitrary circumstances.
2. I will respect the intrinsic worth of all persons whom we have the opportunity to serve.
3. I will maintain the highest standard of honesty and integrity in fulfilling my responsibilities, and I will never knowingly misrepresent our services.
4. I will ensure that clients review and sign a Pregnancy Care Canada (PCC) approved Client Services and Disclaimer Form before commencing support services.
5. I will endeavour to ensure the client understands that all intake material is given voluntarily, and that the client understands the purpose for which this information will be used.
6. I will endeavour to provide a safe, private setting for support services.
7. I will not provide or assist in arranging abortions or abortifacients.
8. I will not intimidate or judge a woman who chooses to pursue an abortion, and I will treat her with dignity, compassion, and respect.
9. I will not provide to a client the names of anyone seeking or considering adopting a child.
10. I will preserve the client's right to confidentiality and will not release any identifying information verbally or in writing without the client's signed permission (excepting the threat of suicide, homicide, suspected child abuse, or when required by law).
11. I will immediately report the sexual or physical abuse of a child to the police or other child protection authorities (subject to provincial requirements).
12. I will ensure that client files are secured in a locked filing cabinet, that no files or client information are taken home, that no files are left unattended on the premises where there may be public access, and that all private or confidential computer information is secured.
13. I will not (as a male support worker) provide support services to a female client unless a female volunteer or female staff person is also on the premises.
14. I will not inappropriately touch a client or convey any message which might be interpreted as an expression of sexual feelings for the client.
15. I will not enter into a dating relationship with a client, or a former client, who has used our centre's services within the preceding two years.
16. If I do not have the skill level required to provide the needed support to a client, I will refer the client to another support worker or agency.

## STEWARDSHIP POLICY

The organization shall guide and assist individuals in the stewardship of property which the Lord has entrusted to them. To carry out this role, the organization shall provide or make available adequate training for its stewardship representatives.

The organization shall have policies which provide or state that:

1. No remuneration of stewardship representatives shall be based on gifts received by the organization or gifts committed to it (i.e. those persons raising funds for the organization shall not do so on the basis of receiving a "percentage of the funds raised as payment for such efforts").
2. Donors are advised and encouraged to seek independent professional advice before making a gift to the organization which, in the opinion of the organization's stewardship representative, might significantly affect the donor's financial position or income or might adversely affect the donor's relationship with family members.
3. Donors are provided with comprehensive and current information regarding the organization.
4. Gifts designated to be used for a particular project or purpose approved by the organization will be used as designated with the understanding that when the need for such a program or project has been met, or cannot be completed for any reason determined by the board, the remaining contributions designated for such program or project will be used where needed most.
5. Gifts will not be accepted for projects or purposes which are not within the organization's objects or have not been approved by the governing board.

The organization shall carry on its activities with the highest standard of integrity and in accordance with its constituting documents. The organization shall respect its position as a fiduciary for the public in carrying out its mission.

The organization shall have a spirit of Christian stewardship of the resources entrusted by God and by donors to be used in the advancement of God's kingdom, an attitude of openness concerning a member organization's accountability of its stewardship, a sense of humility and gratitude for the material blessings God has provided, and a desire to be an example of Christian integrity, which are all in keeping with the purposes and practices encompassed in this policy.

This policy represents the principle that the investment donors make in God's kingdom through this organization does not constitute a right of ownership of God's gifts but rather confers a responsibility of stewardship on the charity. Any acquisition or holding of assets are only as a means to an end, not a goal in itself.

Inherent in this policy is the need to observe both the letter and the spirit of all laws governing the organization.
