REVIEW	UPDATE	DECIDE	COMMUNICATE
Gating criteria reviewed weekly by COVID Team	Criteria updates provided weekly to the Monitoring the Progress Committee	The Administration will decide on the learning scenario and when the transition will take place.	The Administration will inform staff and families of the transition and provide at least two days in school notice before making the transition.
	A significant change in gating criteria measures may lead to a change in learning scenarios, and the Board will be informed immediately.	The Board of Education will be informed immediately.	The school day before the transition will be a working day for school staff and teachers with no instruction for students.
