COLLEGE ESSAY GUIDANCE FROM TOP WRITING COACHES

Prompt is the #1 provider of essay coaching and feedback. We help thousands of students gain admission to top-50 colleges every year.

“ Prompt.com's feedback was very helpful because it wasn't just correcting grammar mistakes....it also shares knowledge of what would have a greater impact on the person critiquing my essay. **This led me to be more confident in my work.**

- A Notre Dame Academy student, class of 2021 ”

Essays are the new test prep...

Students use their grades + test scores to select where to apply. That means every college has a pool of applicants with similar grades + test scores.

Colleges use essays as one of the most important criteria to differentiate students.
