

Families on Campus for Join Us January

More than 85% of families attended Join Us January where students showcased their learning—from annotating sustainability texts in ELA and exploring future homesteads in Social Studies to building renewable energy models in Science and analyzing data in Math. Lower School families joined math classes to learn alongside their children.

2025–26 JCS Basketball Team Wraps Great Season

Our JV team had an incredibly competitive year, showing tremendous growth, dedication, and heart every step of the way. We are so proud of the hard work these athletes put in both on and off the court, representing Crosland with grit and sportsmanship!

Get Excited for the 2026 Shine On Gala

MC: Liza Mahachek

Auctioneer: Josh Loewensteiner

Our annual Shine On Gala is an evening with an emphasis on having fun and supporting our mission including heart-warming messages from our students, a thrilling live auction, and more. This year, we are celebrating the heroes behind the success of our students: Teachers, Parents, Staff, Families, Donors, & Community Members. Attendees joining us this year will learn how we **Believe Beyond Limits**. Keep watch on our social media pages for our **Silent Auction to go LIVE** prior to the event – anyone can bid, not just attendees. If you are unable to attend, but would like to **donate**, use the link below.

Comets Create Highlights

Our recent **Comets Create** showcase was a huge success, with an amazing turnout of families excited to learn more about our Master Classes and the Senior Exploration Experience. Guests explored interactive stations, engaged with student projects, and even sampled items created in class—bringing learning to life in a truly hands-on way.

Crosland Compass Blog

Helping Students SEE Into Their Futures

We believe every student has a unique purpose and a set of strengths to offer the world. One way we help them begin to see what their future can hold is through the Senior Exploration Experience (SEE). In this blog, we share how SEE gives our seniors the opportunity to explore careers, build confidence, and connect their classroom learning to real-world possibilities.
