What is it?

Affordable Christmas empowers low-income families with the opportunity to purchase gifts at an affordable price. This allows parents to give gifts to their children while maintaining dignity as providers for their families.

How it Works:

We collect brand new toys and monetary donations used to purchase gifts, which we price at about one-tenth of the retail value. Parents sign up through their children's schools and choose their shopping times. They shop in December for $9.00 per child and choose five gifts per child to take home. At least one child enrolled in a participating school qualifies all children in the household from birth to senior in high school.

What You Can Do:

Donate by purchasing toys, shopping our online registries, giving monetary gifts, or hosting a toy drive at your workplace, school, church, etc. Gifts can be dropped off at the locations listed on our website or shipped to Hope House **by Dec. 7.** For more information about donating and volunteering, please visit **www.hopehousebg.com/christmas.**
