## Exalted Rulers Message

"It's great to be an ELK"

Well, another month down,

everything is running smoothly which scares me. We had very successful Friday Nights; both Fish and Steak Nights have been good, and the 2<sup>nd</sup>, 4<sup>th</sup> & 5<sup>th</sup> Fridays have been fun playing games & sharing potluck together.

We had a very good showing at the DD Visitation and Sophia's Fajitas were a usual hit and enjoyed by everyone. We raised over \$335.00 for ENF. Elks National Foundation gives grants back to the lodges who apply so we may help fund some charitable work within our local communities, help Veterans, and other charities.

Football Sunday is really taking off and fun. Come down and enjoy

the games, the food, and the friendship. Fred and Jen's Team are doing a superb job of cooking.

Our Wrestling "Lucho Libre" had many sponsors, thank you to everyone who sponsored. Ron along with Wrestling Committee did a great job obtaining sponsorship and promoting the event. We were able to raise money for our charities with this annual event. Along with that, our own Johnny Star retained his title belt.

## ENF grants, programs bolster communities

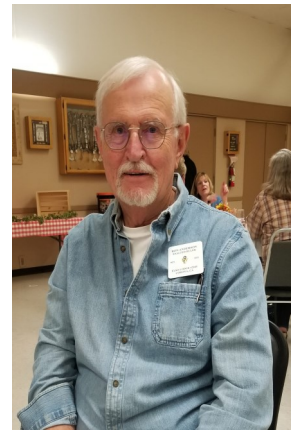

### Message from the Grand Exalted Ruler

**Bruce A. Hidley**

October brings to us many Elks activities and family fun. Let's start with the most important program in our Order, the Elks National Foundation (ENF). As your Grand Exalted Ruler, I have once again established the goal of \$4.80 per Member per capita. When you do the calculation for this goal, that's just a little over \$.01 a day. For each Lodge dollar donated, ENF could potentially repay hefty dividends for the programs offered. Your Lodge can and should apply for the various grants to assist your communities: Beacon Grant, Gratitude Grant, Spotlight Grant, Promise Grant, Impact Grant, and Freedom Grant. Each grant has a specific deadline to apply for funding. I encourage all Lodges to take the time to educate yourselves about these grant programs. Find some Members who would be willing to dedicate their time to apply for these worthy grants. Other programs ENF funds include: Scholarships, Youth Activities, Veterans Service, Elks Veterans Memorial maintenance, and much more. It is very important to let our Members know about the great work ENF does. A fine way of "Promoting Elkdom With Enthusiasm" is to support the Great Heart of Elkdom. The Elks' mission is to build stronger communities and ENF provides the resources to fulfill this mission. I charge you to get out into your communities with great pride and show them what the Elks do for them. For more information about the Elks National Foundation, go to [elks.org/enf](http://elks.org/enf). Another important program we must focus our attention on is Red Ribbon Week. This is the nation's oldest and largest drug prevention program. Red Ribbon Week is celebrated annually from October 23 to October 31. There are many ways to celebrate Red Ribbon Week in your communities. Have your local elected officials issue a proclamation declaring a Red Ribbon Week. Have your Members distribute red ribbons to our schools and encourage Members, friends and loved ones to wear red ribbons. Today, Drug Awareness has become an even greater challenge as we continue to fight the horrors of drug abuse and addiction. The staggering number that comes to mind is that in the United States alone, there have been nearly 71,000 overdose deaths each year. The amount of deaths from drug overdoses is the reason why the Benevolent and Protective Order of Elks takes such a hard stand to prevent and educate our youth and adults. The Elks will always be there to support hugs are better than

drugs. I can't think of any better way of "Promoting Elkdom With Enthusiasm" than to work hard to stop these dreaded drug diseases. October is also a time when most people enjoy a nice fall holiday with Columbus Day. Finally, October 31 is known as Halloween. A day and night when the ghosts and ghouls come out. Our children get to enjoy putting on their favorite costumes to go trick or treating. Please be safe when going door to door and stay in neighborhoods that you know well. God bless all of you, God bless our troops past and present, and, most of all, God bless America.

## ELK of the MONTH RON ANDERSON

**Ron is my Elk of the Month for October. Ron headed up the Wrestling Tournament, he is Co-Chairing the Texas Holdem and is always a phone call away to help in so many ways. Thanks Ron for being a Great Elk!**

## What Is The Purple Pig In A Nutshell?

The Purple Pig is the fundraising arm of the California-Hawaii Elks Association Major Project, Inc. (CHEMPI). It is an IRS 501(c)(3) corporation meaning that for tax purposes your charity donations to CHEMPI are tax deductible. The program started in 1950 with our first Mobile Therapy vehicle. Since then the program and services provided have grown tremendously. The California-Hawaii Elks have raised over \$100 million to address the unmet needs of children with disabilities by developing a program of support services to aid these children at no cost to their families. These services include Physical, Occupational and Speech-Language Therapy. In addition to the therapy the Major Project funds Vision Screening Services in schools, doing over 50,000 screens a year for such things as lazy eye to children needing glasses. When needed the program provides grants for direct medical care for vision deficiencies.

Have you ever wondered who the children are that the California-Hawaii Major Project (Purple Pig) serves? From the therapy standpoint they are the children who have been lost to the system, the children who are not considered eligible to receive services from other agencies or programs for their disabilities. It may be because they have no insurance. It may be because they live too far away. But whatever the reason the Elks services are mobile and we are there to help them. The Vision Screening is provided at an early age, typically 2 ½ to 6 years old, often in a pre-school setting, in order to catch and correct vision problems early so the child's learning and self-esteem are not adversely affected.

The Purple Pig slogan is **"A coin a Day, so they can Walk, Talk, See and Play"**. That is why you received a Purple Piggy Bank when you joined the Elks. You can also make donations online or be Recurring Monthly Donor simply by going on the website [www.chea-elks.org/major-project/donations](http://www.chea-elks.org/major-project/donations).
