CORONA #2045

Greetings and Aloha!

Welcome to August. July was an interesting month for the Lodge. Patrick Akes, Jesse and Karen Vargas and myself attended the CHEA 2023 Convention in Minneapolis MN the first week of July. It was very rewarding. There were reports from the various Projects Chairs There was also a Seminar on Youth and Community Programs which was very interesting. I will send out the various Programs that we can do. We can also submit news and photos to the Elks Magazine about the great things that we do for our community and our veterans.

Our Fish Fry and Taco Tuesdays were successful. We had to cancel our Steak Night due to the grill fans not working. The room was filled with smoke. Corona Fire Department came to our rescue. Corona Fire Department Station 2, C Shift, Truck #2. We sent them thank you cards & invite them to a Taco Tuesday and present them with a Public Safety Medal of Service.

To our members If you have your paid steak order ticket you can bring it to our next Steak Night for your replacement steak. Please email the Lodge to let us know you will be using your steak voucher. We are deeply sorry for any inconvenience it caused you.

In addition to our regular events for August, on Saturday August 26th we will have our Annual Elks Charity Car Show. There will be delicious food and many interesting cars to enjoy. Please keep a close eye on your constant contact posts in your E-mail regarding ways you can help the Lodge in making our Car Show successful.

On Sunday August 27th Corona Elks will host the DD Clinic, which many of our Officers will be attending.

My Elk of the Month for August is Anita McMillian who is helping coordinate our Taco Teams and has been instrumental in helping with the VP Visit and Homecoming, Thanks Anita for being a Great Elk.

Community service builds foundation

Message from the Grand Exalted Ruler

RANDY P. SHOOK

After
being
elected

Grand Exalted Ruler at the convention in Minneapolis, Wanda and I are humbled and honored to represent our great Order this year. We have truly been blessed by the aid and support of so many people throughout the years. We owe a great debt of gratitude to our family, friends, and to you, our Elks family. We say thank you, one and all, for everything. My slogan for 2023–2024 is **"We Are THE Elks."** I am sure you will be hearing more about this at your District Deputy Clinic this month. As we travel the country, Wanda and I are committed to promoting our Elks programs like never before. It is our belief this will make our Lodges stronger and improve our image throughout our great Order. We will be promoting community service programs throughout our travels.

These programs build stronger communities while stimulating a response that motivates worthy members of the public to seek Elks membership. In this way, our community service builds the foundation for our future. Successful Lodges of the future will create and develop local projects that will become signature accomplishments in the eyes of the community. In turn, members of the community will see these projects mature over time and want to become involved. If we work together toward our charitable pursuits and remain faithful to our programs, I'm confident we will soon see an increase in membership— not mere temporary gains, but a new era of growth where participation becomes commonplace.

A great source of funding for some community projects is the Elks National Foundation, known as the "Great Heart Of Elkdom." The ENF helps build stronger communities through programs that support youth, serve veterans, and meet the needs in areas where we live and work. The Foundation has allocated almost \$16 million for Lodge Community Service Grants. This grant program allows your Lodge to complete more for your communities. This is once again a way for you to show your communities that **Elks Care—Elks Share**. Make the Elks presence felt in your community by using these grants. What is your Lodge known for in your community? What reputation would you like to have? Find that need in your community and get it done. This will ensure people in your community know that **"We Are THE Elks."** The support we provide makes the Foundation's work possible.

The goal we have established for the 2023–2024 fraternal year is \$4.80 per Member. That is not much when you consider the outstanding achievements of this program. Remember **"Elks Care—Elks Share"** and **"We Are THE Elks."** God bless our great Order, our troops, and the United States of America

CHEA – The California – Hawaii Elks Association is a charitable organization serving children with disabilities since 1950.

With 168 lodges in 19 Districts (including the Islands of Guam and Philippines), the California-Hawaii Elks Association **CHEA** serves disabled children, veterans, and our youth in wide range of activities. We are a proud organization with [roots back to 1868](#) and thousands of Elks, who have not only helped millions of people, but are a social organization that enjoys the company of other Elks at our lodges where our meals and beverages support our growth and the community.

B.P.O.E. stands for **The Benevolent and Protective Order of Elks** (or as they are affectionately known, the *Best People On Earth*). Elks are American Citizens who want to save its great values; who love others and want to make sure they are healthy and happy; and who love life and want to contribute to it, as well as to share it. As a member, we find there is nothing better than **serving our community** through the various activities and charities supported by our local Elks Lodge.

The California-Hawaii Elks Association CHEA is best known for its support of children with disabilities. Among these pages you will find many heartwarming stories and videos that relate to our [Major Project](#), often referred to as The [Purple Pig](#). The Purple Pig is the fundraising arm of this charitable work and serves as a reminder to the membership that our greatest joy is in **giving to and helping others**. Whether you help through the various support methods such as our [BLT Legacy Giving Program](#), regular [monthly donations](#), filling the Purple Pig with the “A Coin A Day so they can Walk, Talk, See and Play”, or simply using

Major Project

While each state has its own **Major Project**, CHEA is working to help kids with disabilities. Further, each lodge is working to ensure the future and well-being of our youth by being involved with the [Dictionary Project](#), [Scouting](#), [Hoop Shoot](#), [Drug Awareness](#), Americanism Essay Contests and, second only to the Federal Government, [Scholarships](#). You'll also find them helping during the holidays with parties and gifts for the kids.
