"It's Great to be an ELK"

Greetings, we had a great October. Our Hypnotist Show was a howling success; it was a really great show! Thank you to Bruce Logan for donating and cooking his family secret homemade spaghetti sauce! Thanks to Jesse for making the pasta with his faithful mentors Sylvia & Ann.

The Golf Tournament was also a great success. Thanks to all the hard work by the Chair Jesse & Co-Chair Karen Worden, Joe Almasy and Bob Dressler. I would also like to thank the countless volunteers who helped put this event together, too many to name, but I want to say Thank You.

We love our Veterans! James Willingham and John Lucio Co-Chaired the Corona Elks First Annual Veteran's Resource Fair on Saturday October 29th. They put a lot of time setting it up, it went over very well. We look forward to holding this event annually to help reach out to our local Veterans and partner them with Resource information available to them. Thanks Gentlemen for all the hard work.

I'm very happy for all the work that goes into our Friday Nights, the 2nd, 4th and 5th Friday of the month. There has been great attendance. Lory is doing great chairing the Game Nights and recruiting attendance and Debbie & Ashley tend bar with delicious beverages. The Potluck dishes have been fabulous, you all are great chefs!

Steak Nights have been very well attended please be sure to call in for Reservations! Fish Nights have been slowing, if anyone has feedback of either changing it up or substituting a themed meal night, please let me know your ideas.

The Texas Holdem Night is on November 5th, Ron Anderson & John Dalzell are getting the word out there, calling past attendees and promoting the event and obtaining sponsors. This is always a lot of fun. If you don't want to play, you can still come down and support the Lodge by purchasing your favorite beverages! There will be dinner available to purchase for \$10 if you are not playing. If you are playing, dinner is included in your ticket fee.

Be safe and remember "It's Great to be an ELK"!

Grand Lodge News

Forever Grateful

Message from the Grand Exalted Ruler

Bruce A. Hidley

During the month of November, we have three very important dates on which to express our eternal gratitude. They are Election Day, Veterans Day, and Thanksgiving. Election Day falls on the first Tuesday following the first Monday in November and is extremely important to us as Americans. President Harry S. Truman once wrote that “a vote is the best way of getting the kind of country and the kind of world you want.” Election Day is the day that we as Americans have the freedom and right to vote for individuals who are running for federal, state, county, and municipal government office.

November is also when we honor our veterans. Veterans Day takes place on November 11, and all of November is Elks Veterans Remembrance Month. On Veterans Day, we honor the brave men and women who serve our country and have fought to secure our land of liberty. On this day, Elks all across our country honor our veterans with parades and celebrations. During this month, I encourage all lodges to hold an Honor-a-Vet ceremony. This is a great way to thank veterans in the community for their service. You can make the ceremony even more special by inviting your local elected officials to the event. What a distinct way to show veterans and the families of veterans that the Elks are forever grateful to them and to uphold the Elks’ pledge to veterans: “So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them.”

Finally, near the end of the month of November, we express gratitude for our blessings and being able to spend time with family and friends on Thanksgiving Day. As Elks, it is also important that we take the time to volunteer and help make the holiday brighter for those less fortunate. Helen and I would like to take this time to wish each of you a very happy and healthy Thanksgiving. Enjoy time with your family.

God bless each of you. God bless our troops, past and present, and most of all, God bless America.

What Is The Purple Pig In A Nutshell?

The Purple Pig is the fundraising arm of the California-Hawaii Elks Association Major Project, Inc. (CHEMPI). It is an IRS 501(c)(3) corporation meaning that for tax purposes your charity donations to CHEMPI are tax deductible. The program started in 1950 with our first Mobile Therapy vehicle. Since then the program and services provided have grown tremendously. The California-Hawaii Elks have raised over \$100 million to address the unmet needs of children with disabilities by developing a program of support services to aid these children at no cost to their families. These services include Physical, Occupational and Speech-Language Therapy. In addition to the therapy the Major Project funds Vision Screening Services in schools, doing over 50,000 screens a year for such things as lazy eye to children needing glasses. When needed the program provides grants for direct medical care for vision deficiencies.

Have you ever wondered who the children are that the California-Hawaii Major Project (Purple Pig) serves? From the therapy standpoint they are the children who have been lost to the system, the children who are not considered eligible to receive services from other agencies or programs for their disabilities. It may be because they have no insurance. It may be because they live too far away. But whatever the reason the Elks services are mobile and we are there to help them. The Vision Screening is provided at an early age, typically 2 ½ to 6 years old, often in a pre-school setting, in order to catch and correct vision problems early so the child's learning and self-esteem are not adversely affected.

The Purple Pig slogan is **"A coin a Day, so they can Walk, Talk, See and Play"**. That is why you received a Purple Piggy Bank when you joined the Elks. You can also make donations online or be Recurring Monthly Donor simply by going on the website www.chea-elks.org/major-project/donations.
