APRIL 2023

CORONA #2045

April is typically a turning point, a time for renewal, winter has left, and summer is around the corner. It is the beginning of new Lodge year. I want to thank our Past Exalted Ruler Brad Area, dedicated corps of officers and volunteers that made it through this year. Our new and returning Officers are ready to meet the challenges.

We are protectors of our communities. Protecting each other and our communities is what Elks do, we will move forward by continuing to do these things. The call to service sounds each day for all of us to answer. It is our responsibility to do our best to give intelligent, informed, and devoted support to all things that are beneficial to our Order and that will help us serve our country and community better. To achieve this goal we need volunteers to help with the many functions we will be planning for the future. Whether to assist at an event or chair a committee, every little bit helps and is appreciated.

We had our Wine tasting and it was a fantastic event. Kudos to the committee and volunteers for putting it on. Everyone had a great time. Looking forward to another one.

I would like to once again, thank our outgoing Exalted Ruler Brad Area for his hard work and dedication to our Elks Lodge. In conclusion, many thanks to the Corps of Officers and all the volunteers for doing an excellent job. Elks Care-Elks Share

## Message from the Grand Exalted Ruler

**BRUCE A. HIDLEY**

April begins with the changing of the guard. It is extremely important that the new Officers, Board of Directors, and Trustees work hand in hand to accomplish the important programs in each of your Lodges. It is crucial to develop a budget for your Lodge that each committee can work with.

You must develop a budget that will keep your Lodge financially sound throughout the new Lodge year. Pick out a night and invite all the Officers, Board of Directors, and your committee members and take this opportunity to review your Lodge budget. Discuss ideas to make your Lodge programs even better. Discuss your goals for the Elks National Foundation, your state's Major Project, and any other community activities that your Lodge may be involved with. Listen to what your Members have to say. Always consider their input and be open and flexible to new ideas. Perhaps say, "OK, let's try it." Another area of critical focus at the onset of a new Elks year is membership. Work with your appointed Membership/ Membership Retention Chair as a team.

All of your Lodge Members are a part of your membership committee. It is important to reach out to delinquent Members in order to bring them back into your Lodge. It may only take one phone call. There is a chance that by speaking with the delinquent Member, you may get them to renew their dues and become an active Member again. Your Lodge Secretary plays a very important role for Members who were dropped for nonpayment of dues. I encourage you to review Statute 14.180. This Statute is very clear that your Lodge Secretary shall advise the unaffiliated of his/her rights to reaffiliate within 60 days. Make +1 in membership a priority during your term. I know our Grand Lodge Membership Marketing Manager Rick Gathen would be very proud to say your Lodge achieved a +1 in membership. With the leadership team . you have put together, I know how hard you will be working on "**Promoting Elkdom With Enthusiasm.**" April also is the month when families get together for Passover and Easter. Helen and I want to wish you and your families a wonderful holiday celebration. In closing, thank you for your continued leadership this year by working hard within your communities to show that "Elks Care — Elks Share." God bless each of you. God bless our troops, past and present. And most of all, **God bless America.**
