

# DAY ON THE HILL

February 22, 2022 • 8:30 AM - 4:15 PM

Join advocates from around the state for a day of education and inspiration.

This advocacy event will allow you to hear from mental health experts on pending legislation. We will train you on how to advocate to your legislators on mental health issues and then we'll take you to the Iowa Capitol to put your new skills into action! The more voices we have, the louder our message will be!
