4) Where does my \$180 go?

STEM, Preschool, Afterschool, EVA, Bright Futures, and PCCAPS are just a few of the nearly 100 programs we fund. PCEF provides 100% of the District's discretionary budget. Please go to the [PCEF Website](#) to learn more about all of the programs we fund.

6) Is it required?

No, but collectively your \$180 helps fund nearly 100 programs that inspire PCSD students to reach their academic and lifelong potential! For instance, there would be no EVA (Elementary Visual Arts), Robotics, or One Book One Community without your donation to PCEF.
