

We're changing the equation

Student Thank You Notes to PCHS Teacher Ashley Mott
Motivational Care Packages Funded Through a PCEF Emergency Express Grant

Hello Mrs. Mott, I just got your motivational package and I love it so much, you really made my day. Thank you so much, I hope you are staying safe during this whole thing.

Hi Mrs. Mott,

Thank you so much for the quarantine care package! I was so excited opening it and seeing all the care and love you put into it. I'm already using the journal and pens and colored pencils! Everything is so cute! I absolutely love the bracelet! It made my heart happy reading the note and everything that was so motivating. Thank you for always thinking of us and making sure we are doing alright! It means so much having you in our corners as someone we can turn to. I miss you so much! Thank you for all you do!!

Hi Miss Mott! Thank you so so much for the motivational package! I love it! That was so thoughtful of you to do that for all of us. I hope you are having fun in your quarantine! And have a great Easter!

Ms. Mott,

I would like to say thank you so much for my care package! It really brightened my day to receive it and put a smile on my face. Thank you for putting the time and consideration into sending them out! I hope you are doing well and wish you the best in these difficult times!

Hi!

I just received a care package from you, in the mail the other day. I was just writing to say thank you! That was very thoughtful of you, and I feel journaling is a very beneficial way to spend my time here in quarantine. It was especially nice to see something in the mail for me, considering I just got my wisdom teeth out and was feeling pretty blah. So anyway, thank you again so much!

Best of wishes to you,
