

These past few months have been challenging for everyone, and we hope that you are all safe and healthy amid the COVID-19 pandemic. We feel extremely fortunate to be able to welcome our customers back to the shop. As the state of this public health emergency changes from day to day, we will remain focused on keeping our employees and our customers safe, healthy, and informed. Please feel free to contact us if you have any questions or concerns. (484)415-0014

Customers will need to wear a mask at all times in the shop. We want to prevent the spread of COVID-19. Don't have a mask? No problem! We will have some that can be used or borrowed, but we also have some for sale. Call us ahead of time and we'll bring one out for you. We ask that you use our hand sanitizer before entering so that you can feel free to handle the merchandise.

Please remember to stay a safe distance (at least 6 feet) from other customers. If we determine a need to limit the number of people in the shop to maintain such distance, then we will implement that limitation as it becomes necessary. Let's all be as safe as possible.

Although we will be here most days and during our regular hours, Thursday through Sunday, we may need to limit the number of customers in the store at any given time. We will welcome as many visitors as we safely can from 11am to 4pm. Those feeling most vulnerable, or who schedule appointments, will be welcome from 10am to 11am. From 4pm to 6pm, while we work to sanitize our environment for the next day, we will offer limited access and curbside pickup. Monday through Wednesday will continue to be by appointment only, so be sure to call first. We will do our best to remain as flexible as we possibly can, but our main goal will be to keep ourselves and our valuable customers safe!
